---

Andrea McCarty is a Senior Manager with KCIC, LLC and its affiliate The Kenesis Group, LLC, where she leads analytical projects on behalf of Fortune 500 clients and post-bankruptcy settlement trusts.

#### Experience

Ms. McCarty has over 15 years of experience in insurance-related analytical fields. She is an expert in the analysis of insurance policies, both domestic and London, including insurance archeology. Ms. McCarty has an encyclopedic knowledge of the wide range of forms and languages used to underwrite occurrence based insurance, and has personally analyzed at least 25,000 policies.

Ms. McCarty is also an expert in the modeling of complex allocation of long-tail liabilities to insurance coverage. She has undertaken such projects in connection with asbestos, environmental, and non-asbestos products liability. Ms. McCarty has deployed her insurance policy, database and allocations expertise in numerous high profile litigation and settlement contexts on behalf of Fortune 500 clients and post-bankruptcy trusts.

Prior to joining KCIC, Ms. McCarty was a Senior Consultant at Harbor Consulting, LLC, a subsidiary of Swidler Berlin Shereff Friedman LLP, where she managed the insurance policy department. Previously, she worked in the insurance litigation group of Anderson Kill Olick & Oshinsky, LLP.

#### Education

2003 – M.B.A., Global Technology, American InterContinental University (*magna cum laude*)  
1990 – B.A., Pennsylvania State University
